

Sumo Sumo

Goal:

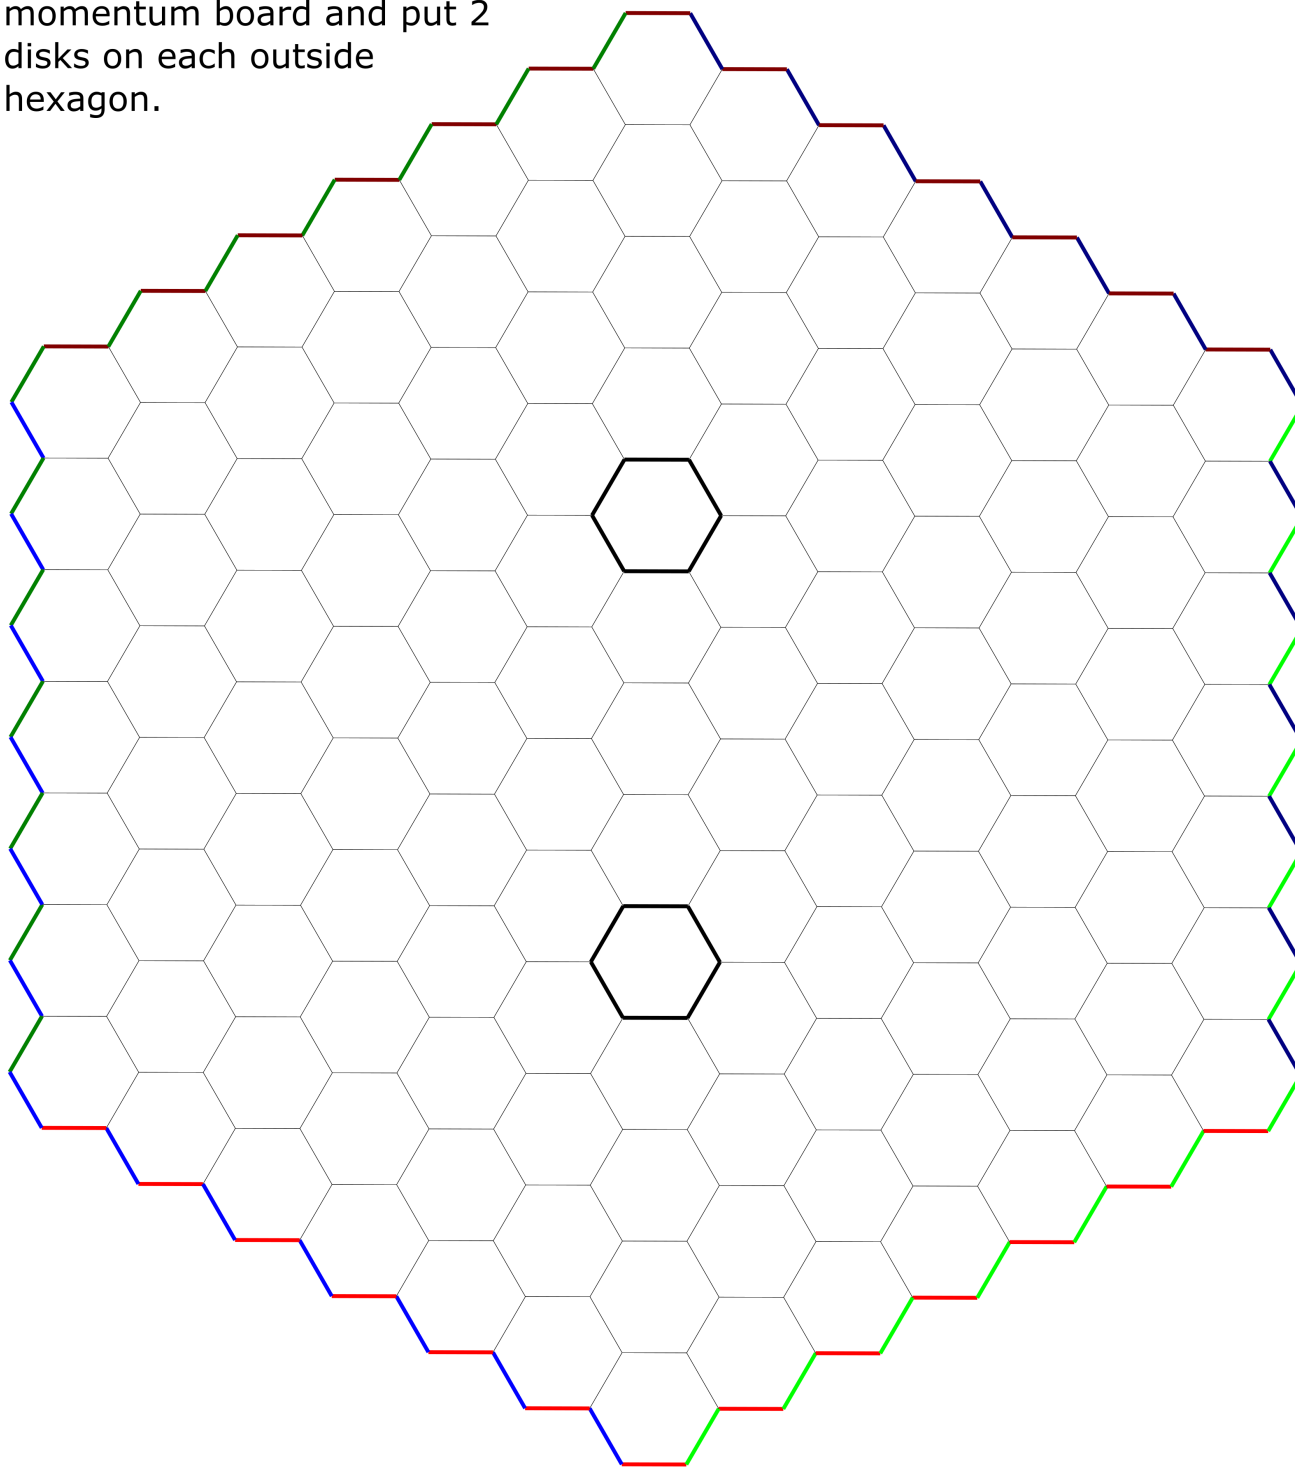

Push your opponent off the board first.

Set Up:

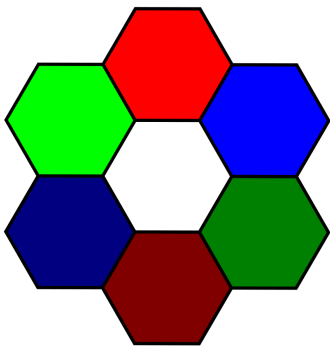

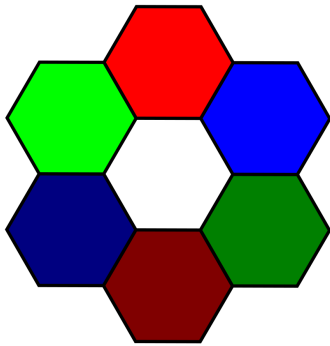

Put your sumo wrestler in the bolded hexagon. Take a momentum board and put 2 disks on each outside hexagon.

On each turn:

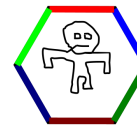

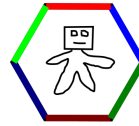

1. Move 2 disks on your momentum board.
2. For each of the 3 directions, move in that direction equal to the net momentum in that direction. Do this in any order.
3. End your turn.
